Enclosure

CONDITIONS FOR ENDING A DISQUALIFICATION

BENEFITS ARE DENIED IF YOU:

- Were fired or suspended for misconduct connected with your work;
- Left work without good cause;
- Failed without good cause to accept suitable work when offered;
- Failed without good cause to apply for suitable work when referred by the employment office.

Benefits are denied until you earn at least four times your weekly benefit amount in wages. This work must be done after the week you were fired, suspended, quit or failed to accept or apply for suitable work. In addition to this, the total benefits you were eligible to receive are reduced by eight times your weekly benefit amount. For example, if you were eligible for 26 weeks of benefits, that total would be reduced to a maximum of only 18 weeks.

IF YOU WERE DISQUALIFIED UNDER ORS 657.215 FOR MISREPRESENTATION OR FRAUD, you must claim each of the penalty weeks and meet all other eligibility requirements before you can receive benefits. Penalty weeks must be served separately and consecutively. A penalty week cannot be served for more than one decision at the same time.

IF BENEFITS WERE DENIED FOR ANY OTHER REASON, you are denied for the period of time specified in the decision.

IF BENEFITS WERE PREVIOUSLY PAID for any week covered by the enclosed decision, you will be overpaid. You will receive repayment information following the appeal period provided on the decision.

APPEAL RIGHTS AND PROCEDURES

TO THE CLAIMANT AND THE EMPLOYER:

If you believe this decision is wrong and if you want a hearing, the law states that you must file a Request for Hearing within 20 days of the date the decision was mailed. The last day you can file an appeal on time is typed on the front of the decision. You may file your appeal late and still have a hearing, but only if you can show that you had good cause for the late appeal.

You may file a Request for Hearing in person at any state employment office in Oregon or in the state where you are living, or by a letter mailed to the office address shown on the enclosed Administrative Decision, or by fax. The letter must: (1) specifically state 'I request a hearing,' and (2) be signed by you. If you request the hearing by letter, the post mark date will be the date used to determine if the hearing request was filed on time. If you request the hearing by fax, the encoded date on the fax document or fax receipt will be the date used to determine if the request was filed on time. Hearings are held by an Administrative Law Judge. Testimony from witnesses is taken under oath.

TO THE CLAIMANT:

WHEN YOU FILE A REQUEST FOR HEARING, CONTINUE TO REPORT AND FILE CLAIMS FOR EACH WEEK YOU REMAIN UNEMPLOYED TO PROTECT YOUR BENEFIT RIGHTS. You must notify the Hearings Section if you change your address or telephone number.

If you request a hearing in this matter the information gathered to make this decision will be sent to all parties. You may look at your claim file at the Employment Department field office where the unemployment claim is kept.

TO THE EMPLOYER:

INFORMATION ON RELIEF OF CHARGES - If you are a base year employer and this decision becomes final, your account will be relieved of charges for benefits paid during the remainder of this person's benefit year and during the 52 weeks after that benefit year if the claimant was discharged for misconduct or voluntarily left work for reasons not attributable to you. If the claimant was discharged, but not for misconduct your account will be charged. The noncharge provisions apply only if you are a base year employer on this claim. Employers who make reimbursement payments in lieu of taxes are not eligible for relief of charges. If an appeal is filed, and a hearing is held, the decision resulting from the hearing could affect the relief of charges to your account.

RE: Formal Complaint of Criminal Misconduct by US Marshal Employees.

Dear US Marshal Dennis Merrill,

Employees in the service of the US Marshals' Office located at the Mark O. Hatfield US Courthouse, physically prohibited, accosted, and harrassed, Belinda D. Jackson, on February 27, 2006. When I requested whom gave such instruction no answer was given. The personal in the US Marshal's Office did not identify themselves, but the man whom physically assaulted and obstructed my path, was Asian American, wearing a headset and a sky blue blazer with a brown of yellow tie. The Asian man was with two White males in thier early sixties and they were wearing Dark blue blazer but thier name badges had been removed. Two other Federal Building Security members were present with thier badges in place, R.G. Rohrback and F. A. (last name). These two men stopped ordering me around once I explained my business and I would leave on my own recognience. But the US Marshal employees, assaulted, accosted, and harrassed me throughout the building. I am demanding charges be lodged against these individuals becuae they had no business whatsoever in my presence and I believe there overall goal was intimidation and harm, stemming from a US Department Of Justice/Office of Inspector General Complaint I filed.

IPR Case Number: 2006-C-0047

Dear Ms. Jackson:

On 1/30/2006, the Independent Police Review Division (IPR) received your complaint regarding Portland Police Bureau (PPB) Officers Hertzler and Engstrom. Specifically, you alleged that that Officers Hertzler and Engstrom failed to take appropriate action when they responded to a family disturbance call involving you and your mother and that Officer Hertzler was rude toward you and failed to provide identification.

I have reviewed your written complaint, the police report relating to the incident, and dispatch records. Based upon this review, I have concluded that a referral of your complaint to the Internal Affairs Division would not be appropriate, as there is no independent credible evidence that you were the victim of a serious crime.

You should be aware that the IPR monitors all complaints made against members of the Police Bureau. As such, your complaint and the conduct alleged will be maintained as part of our management information system. We use this system to conduct regular reviews of citizen complaints and to identify potential patterns of officer conduct. We hope that these reviews will assist us in improving the level of police services provided to the community in the long term.

Very truly yours,

Dear Senator Charles Grassly,

Dear Mr. Novelli,

I do apologize if I have not spelled your last name correctly, but spelling is the last thing I am concerned with Sir. This is a dire subject where the most depraved amongst have found hard and fast employment until I am dead or otherwise incapacitated. The harm US Department of Justice Employees have perpetrated, honestly boggle the mind. I myself was confused until I remember that "Criminals or Stupid and desperate." Where to start I guess my Blog is the best point the entire statement is true absolute Autobiographical and I name the individuals involved and there are documents and witnesses. I cannot express to you what outright disastrous lengths these idiots have gone to in the hope of covering up one very devastating, fact, FBI and Law Enforcement Officials, produce fraudulent documents to close a Federal Law Suit for 300,000.00 filed in California District Court Belinda Jackson Vs. Drake Capital Securities, when they were found out, these same Law Enforcement Officials resorted to the most ungodly acts to shut me up, yes Sir, I Belinda Jackson was drugged and sexual abuse, but it does not end their these men of utter halfwitted nature then decided to cause mental instability they would taunt me with these rapist, even to the point of boarding public transportation and placing the rapist in the only available seat next to me, they have even gone into my Church and placed a rapist in the pulpit, Mr. Novelli, the culprit here is SAIC Robert Jordan, and Spec. Agents in the Portland and Los Angeles Field Office. Once, it was realized that I understood process and procedure the attack escalated and spun out of control. I have evidence, which proves every single word I have said, and am not afraid to testify against these utter and complete fools. I know you are probably thinking what is worst than rape and how about pedophilia and using AIDS/HIV as a weapon of murder, I can prove every word. The FBI has bought the farm and it is desolate, miserable, and barren. There is just no way in this world SAIC Robert Jordan can explain his office actions and this is why they have literally cut there throats to shut me up but I yet speak and will from the grave if no one helps me.

I was fired from Adecco Temporary and the statement was made to Cindy Springer. When I filed a complaint with the Bureau of Labor and Industry I was told no one had jurisdiction over the FBI the can do what the want. Sen. Ron Wyden, Dem. Portland Oregon office made the same statement and conspired with FBI Oregon officials to deny me the right to press charges and request and investigation as have the Portland Oregon FBI Office acted with all Complaint I have made including the Senate Judiciary Committee, The Attorney General, Equal Employment Opportunity Commission, The Comptroller of Currency, Local Law Enforcement Internal Affairs, and The Judiciary Fitness Committee in Oregon. FBI Employees have falsified and sent fraudulent documents and outright obstructed my request for legal representation with such firms as Rieke Savage, Miller Nash and others. I have documents and evidence such as hair strands and blood to prove my charges. AND THEY ARE STEALING EVERY SINGLE PIECE OF MAIL I AM SENT!!!!

Dear Madame/Sir:

The FBI Portland Field Office threatened and intimidated, Belinda D. Jackson, as I tried to report Criminal Misconduct and new information on June 5, 2003, concerning the May 23, 2003, Press Release by the Washington Headquarters of the FBI; concerning my May 2002 OPR complaint. I have been in communication with the OPR branch of the Bureau and feel a third party (FBI Special Agents) have obstructed and manipulated my letters. On April 14, 2003, I brought this to the attention of Special Agent In Charge Charles Matthews a letter requesting verification of OPR staff I believe are frauds. Spec. Agent In Charge Matthews relegated the response to my letter to Bill Treceder, General Council. I was instructed of this by Mr. Treceder, I at no time have I spoke with Spec. Agent Matthews about this issue. Needless to say, (because I expected it) Mr. Treceder refused to answer my questions and referred me back to SAC Charles Matthews but by May 30, 2003, SAC Matthew was retired, so I have been informed.

June 5, 2003, I went to the Portland Field Office of the FBI and was accosted and threatened by three individuals whom claimed to be FBI Spec. Agents of the three only one would reveal his identity and I'm not sure he was telling the truth. I asked to see his badge and he opened in closed it in a blink. I was threatened with arrest if I did not leave the premises. I asked why and he was told by the individual whom described himself as the duty person because my complaint was filed and I can't come to the office ever again. I then explained to all three Mr. Bill Treceder's letter on May 16, 2003, doesn't bar me from contacting this office and I was threatened with arrest. I told Spec. Agent Klingard after I was threaten to arrest he took out his hand-cuff and did nothing but threaten. I was forced on to an elevator and told if I ever returned I would be arrested. I then went directly to the US Attorney and asked to speak with the US Attorney Duty of the day person. The person whom appeared just happens to be mention on my May 2002 US DOJ Inspector General Complaint, he's, Charles W. Stuckey, and I believe he is participating in Conspiracy and Obstruction. I told him what happened at the FBI field Office and demanded something be done concerning this threat of arrest and intimidation and he said "I am not doing anything because it wouldn't have any value" I ask him to explain but he just mumbled and looked like a confused idiot. I am demanding action right away the fact this travesty happen right on FBI premises and these three individuals attempted to laugh off their actions as if it wasn't illegal. I requested a written letter detailing the action of June 5, 2003 and Spec. Agent Klingard, refused and then he laughed in my face as if he was attempting to incite conflict. I left a message with the US Attorneys' Receptionist at the Department of Justice as well as demanding US Atty., Charles Stuckey to inform the US Attorney of the tragic ordeal.

IPR Case Number: 2006-R-0018

Dear Ms. Jackson:

On 2/14/2006, the Independent Police Review Division (IPR) received your complaint regarding Portland Police Bureau (PPB) Sergeant Elmore, Officer Miller, and Officer Gaither.

I have reviewed your written complaint and dispatch records of the incident. Based upon this review, I have concluded that a referral of your complaint to the Internal Affairs Division would not be appropriate. Your allegations have been declined because there is no independent, credible evidence that you were the victim of any retaliation or criminal misconduct. The officers were dispatched to assist Project Response in checking on your welfare. On a call of this nature, the officers are permitted to enter a residence to ascertain whether or not there is a threat of harm. Since there is no evidence of misconduct, IPR will not take any further action on this case.

You should be aware that the IPR monitors all complaints made against members of the Police Bureau. As such, your complaint and the conduct alleged will be maintained as part of our management information system. We use this system to conduct regular reviews of citizen complaints and to identify potential patterns of officer conduct. We hope that these reviews will assist us in improving the level of police services provided to the community in the long term.

Very truly yours,

Michael H. Hess
Deputy Director
